**Purpose:** Cook County will hold these regional hearings to solicit needs and priorities and to provide information on the application process for the Community Development Block Grant Program (CDBG), the Emergency Shelter Grants Program (ESG), and the HOME Investment Partnerships Program (HOME) for the 2012 Federal Fiscal Year beginning October 1, 2012.

Cook County receives federal funding from the U.S. Department of Housing and Urban Development (HUD) for programs administered by the Cook County Bureau of Economic Development. The 2012 allocations for CDBG, HOME, and ESG have not been made available by HUD as of this date. However, the approximate funding amounts are as follows:

CDBG - \$10,000,000; ESG - \$425,000; and HOME \$5,500,000. If available, unobligated program income and de-obligated funds from prior program years will be added to these 2012 funding amounts.
